Dear Examiner:

In response to the Final Office Action mailed August 22, 3006, please amend the above-identified patent application as follows.

This response is also to be considered a Petition for Extension of Time, to obtain a two-month extension of the period for responding to the office action with the enclosed Credit Card Form, thereby moving the deadline for response from November 22, 2006, to January 22, 2007. This amendment is believed to be a complete response thereto.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper in order to put the claims in better form for appeal.

Remarks/Arguments begin on page 5 of this paper.
